SUMMARY

A detail-oriented student from **University Kuala Lumpur (UniKL) MIIT** with a **Bachelor of Information Technology (Hons) in Software Engineering**. Experienced in **full-stack development**, **AI-driven systems** and **data-focused solutions** through academic projects and industry exposure. Skilled in building scalable applications using modern frameworks such as **Nuxt.js**, **Node.js** and **Python** with hands-on experience in **machine learning**, **LLM integration** and **system architecture design**. Have a passion for learning while working with a dynamic team. Seeking an **internship placement** starting from **October 2026 to March 2027**.

EDUCATION

University Kuala Lumpur (UniKL) MIIT

Bachelor of Information Technology (Hons) in Software Engineering, CGPA: 3.50, Dean List: 3 Semesters

University Kuala Lumpur (UniKL) MIIT

Foundation In Computer Technology, CGPA 3.58

WORK EXPERIENCE

Defence Services Asia (DSA)

Visitor Surveyor

- **Provided accurate data insights** to optimize strategic post-event analysis and future planning sessions.
- **Exceeded daily KPIs**, delivering crucial insights for key executive stakeholder reporting requirements.
- **Conducted high-level data collection** and visitor surveys at a major defense exhibition today.

Perfume Retail (DeHaruman)

Sales Promoter

- **Surpassed sales targets** using highly persuasive marketing and active consumer communication techniques.
- **Managed customer relations** and delivered high-quality product demonstrations to retail consumers daily.
- **Drove strong revenue growth** by building lasting consumer relationships and brand loyalty successfully.

ACTIVITIES & INVOLVEMENT

Project Manager: CSR Animal Shelter Cleaning Program

- Directed classmate roles and **operational workflows** to successfully execute a **community social responsibility event** while managing logistics and ensuring smooth team cooperation.

Team Leader & Lead Nasyid: UniKL Mighty MIIT Art Fest

- Led creative direction and performance choreography, securing **1st Place overall** and **1st Place honors** in the competitive campus-wide Nasyid category.

Technical Drama Crew: UniKL Arts Festival

- Managed **technical execution** and stage logistics in a drama competition against 14 rival UniKL campuses, successfully securing an impressive **4th place overall**.

Exco Technical: Google Developer Student Club (GDSC)

- Spearheaded advanced **technical workshops** and supported student-led software development projects to foster a strong culture of **innovation and coding excellence**.

Exco Sport & Media: Youth-Guidance Community Club (YGCC)

- Managed **digital content creation** and outreach in 2025, then successfully organized club-wide **athletic and team-building events** throughout the 2026 academic calendar.

COMPETITIONS

Participant: Deriv AI Hackathon

- Created **TradeSmart** to tutorial newbies by collaborating on **AI-driven financial solutions** while focusing heavily on **algorithmic logic** and **user-centric data visualization** techniques.

Participant: Build With AI GDG MyHack Hackathon

- Engineered **LinkVerse**, an **AI-driven event platform** using **Nuxt.js** and **FastAPI** for automated applicant sorting alongside a custom **Python Quota Enforcer** mechanism.

PROJECT

AI Cancer Stage Classification (FYP)

- Engineered an **LLM/Object Detection Streamlit** interface by featuring **Grad-CAM localization**, **automated PDF reporting**, **secure email sharing** and **role-based access control**.

Cinema Booking System (Full-Stack)

- Built a **high-concurrency Nuxt.js/Node.js** booking platform by featuring **high-performance backend architecture**, **secure transaction flows** and advanced **state management procedures**

Beliy - Modern E-commerce Ecosystem

- Developed a high-performance **Nuxt.js e-commerce** site with **simulated payment integration** and **real-time state synchronization** to prevent **inventory overselling**.

LinkVerse - AI-Powered Event Management

- Created a **Nuxt.js/FastAPI AI sorting engine** with a **Python quota enforcer** and **dynamic waitlisting** to automate **applicant categorization** and **capacity management**.

VOLUNTEERING

- **Emcee:** Keretapi Sarong 25
- **Volunteer:** Raya UniKL, Dean's List Ceremony & MIIT Honour Night.
- **Crew Member (Short Film Creative):** Short Film Collaboration with Sofyank
- **Volunteer:** National Youth Engagement - Majlis Belia Negara

TRAINING & CERTIFICATION

- | | |
|--|------|
| • Google Project Management Professional Certificate – Coursera | 2026 |
| • Adobe Creative Professional (ACP) – Adobe Certified Professional | 2025 |
| • Hospitality Certification – ASEAN Sustainable Urbanisation Forum (ASUF) | 2025 |

ADDITIONAL INFORMATION

Technical Skill: Microsoft Office Suite (Word, Excel, PowerPoint), Visual Studio Code, HTML, CSS, JavaScript, PHP, MySQL, Flutter, Python (Streamlit, Flask), Java (JSP, EJB), Node.js, Nuxt.js, Vue.js

Soft Skills: Leadership, Time Management, Problem-Solving, Teamwork, Communication, Critical Thinking

Language: Malay (Native), English (Proficient)
